Phone Option: 312-667-5632 Conference ID: 452 579 651#

Microsoft Teams Meeting: Day 2 [Click to join the Day 2 meeting](#)

Phone Option: 312-667-5632 Conference ID: 724 476 792#

Meeting Objective: The purpose of this meeting is for the GLAB workgroups to report out to the full committee on their progress in addressing EPA's charge questions. The designated lead of each workgroup will present a plan for how they intend to address their assigned charge questions. GLAB members will deliberate strategies and other considerations necessary to draft a preliminary report by July 2021.
